Re: I-Jobs Application Exhibit 4 for
River Interceptor Siphon Sewer Replacement
Iowa Falls, Iowa

To Whom It May Concern:

The proposed project involves replacement of an existing interceptor sanitary sewer with a larger capacity interceptor sanitary sewer. The proposed project does not involve construction of any buildings; therefore, State energy building codes do not apply. The project does not involve rehabilitation of any buildings; therefore, an energy audit does not apply.

If you have any questions or need additional information contact me at the FOX Engineering office in Ames, Iowa.

Sincerely,
FOX Engineering Associates, Inc.
